Sub: Select list & Waiting list of 'Project Sandeep' examination.
Ref: Project Sandeep examination held recently at different Centres.

Dear Sir,

Warm Greetings from Life Skills Foundation Nagpur !

'Project Sandeep' (Phase 2), a CSR initiative of WCL, comprised of Stage I & Stage II examination for male & female candidates of 10 command areas.

Stage I included an online examination, while Stage II included a Written test, Physical Test & Medical examination.

Please find enclosed herewith a select list of thirty three male candidates & five female candidates. A waiting list of male & female candidates is also being attached herewith.

Some facts about selection of candidates have been enlisted herewith.

- A total of 169 candidates who completed Stage-I are being invited to participate in Stage-II.
- In Stage II, out of 169 students 103 had appeared (Male - 69, Female -34).
- It was observed during preparation of the merit list, that male & female candidates were not fulfilling the prescribed criteria of height. e.g for Indian Army Agniveer entry - height of male candidates is 168 cm & for female candidates it is 162 cm. However other exams have different criteria. (Air Force, Navy exam). Hence students were given an advantage to appear for various other examinations & criteria was relaxed.
- Relaxation in height had to be provided for male & female candidates. Males above 165 cm & Female above 157 cm. (Acceptable for IAF/ Navy etc.)

- A Merit list was prepared by taking into account height of students, their marks obtained in theory, running time, fitness etc.
- Forty students found their place in the select list (Male - 34 , Female - 6).
- A waiting list of twenty nine students is prepared (Females - 10 , Males - 19)
- In thirty five male & female students, five students were not able to join due to college & family issues & thirty students were having height less than 165 cm & 157cm respectively -- hence rejected.
